

NVR 170H

HEPA NVR 170H

Equipped with an advanced, 3-stage certified HEPA filtration system, the NRV 170H delivers a Clean Air solution for the commercial environment.

Why Buy NVR 170 HEPA?

Advanced HEPA Filtration

Equipped with an advanced, 3-stage filtration system, including a

certified HEPA Filter that last the lifetime of the motor, secondary

TriTex Filter and HepaFlo Filter Bags.

The NVR 170H supports best cleaning practices and delivers a Clean Air solution for the commercial environment.

What Goes in, Stays in

HepaFlo Bags with innovative self-seal tab lock all the dust in the bag, reducing the risk of distributing particles or droplets back into the air when emptying.

Long Lasting & Quiet Operation

A 2,200-hour motor provides excellent soil recovery and operates

at only 47 dB(A) that won't disturb occupants and is backed by a 5-year warranty.

Great Features for the Toughest Cleaning

A professional, powerful and versatile workhorse, packed full of innovative features for the toughest cleaning. Includes tough bumper for wall and door protection, large rear wheels for ease of transit, and professional toolkit.

Compact and Convenient

Equipped with a long cleaning reach, convenient cord rewind system, and on-board tool storage, the NVR170H is ready when
