

AS5160 series

# Take a walk on the clean side

- scrubber dryers designed to push productivity

AS5160 TO

# Floor cleaning will be a walk in the park

[www.vipercleaning.com](http://www.vipercleaning.com) / [hello@vipercleaning.com](mailto:hello@vipercleaning.com)

The Viper AS5160 are highly productive walk-behind scrubber dryers with battery and tank capacity to clean for hours. With a working width of 51cm and a tank capacity of 61L these machines will get the job done fast and easy. The machines are well balanced and easy to maneuver thanks to large main wheels and strong supporting casters.

For intensive cleaning or maintaining large coated floor areas the AS5160TO with orbital scrub deck ensures multi-directional cleaning performance with low solution and detergent consumption and the square deck gives easy to access corners.

- High capacity 61L solution and recovery tanks
- On-board charger for easy battery charging
- Safety switches built into the handle
- Disc version available with or without traction motor
- Orbital version saving water and detergent equipped with traction motor and automatic raise and lowering of the scrub deck

User friendly control panel with all main settings

Water level indicator

Efficient orbital scrub deck for intensive cleaning or floor coat stripping
