WHEN ORDERING PARTS

- Use the part numbers from the “REF. NO.” columns in this parts list. If the “REF. NO.” column is blank; look under the “KIT” column to identify which kit contains the part in question, then use the kit callout, for example “K1”, to find the “REF. NO.” for that kit.
- Specify the model and serial number of the machine.
- Use the space below to record the model and serial number for future reference.

Model

Serial No.

* = Optional

= Modified item No. or New item No.

[] = Not shown
